| Assessor Comments | Excellent quality line F1 bucket reared heifers in good condition. Purchased in the Winter 2025 from Mortlake sale ex McCluggage Well grown with good frame for age with majority in very tight weight range. Exceptionally quiet to handle. Would make ideal vealer mothers to join to the bull of your choice or grow on to heavy trade or export weights. These heifers will not disappoint. Note: another lot of 27 head, and one of 39 in same sale from this property. |
