Handled With	Vehicles		

Assessor Comments	Acc Hooper & Ward. 29 SIM/AAX Steers , with a small tail removed These are the line of grey coloured SIM/AAX steers. Great muscle and bone, these steers are Bred from meticulously selected bulls for bone, Muscle shape, growth and structure from large framed cows, all past purchasers have had great results with feeding these cattle on into good kill animals. The weaning process of working through the yards while weaning has made calm animals. ## Highly recomended ## Vendor has 7 lines of weaners in auction ##
