Assessor Comments	Acc Hooper & Ward. 19 Sim And SIMAAX Heifers , with a small tail removed These are the line of Grey coloured Heifers. Great muscle and bone, these heifers are Bred from meticulously selected bulls for bone, Muscle shape, growth and structure from large framed cows, Potential to grow to great mothers but all past purchasers have had great results with feeding these cattle on into good kill animals. The weaning process of working through the yards while weaning has made calm animals. ## Highly recomended ## Vendor has 7 lines of weaners in auction ##
