Assessor Comments	Buyers, here is a great opportunity to purchase replacement Brangus heifers that ave 295 kg. These heifers are very feminine soft smooth easy doing types with great volume. Heifers show nice spring of rib with plenty of natural thickness and skin. Heifers stand on good bone with depth of flank. Heifers are out of medium to large frame fertile Brahman & Brahman cross cows by stud Angus sires. Heifers are a pleasure to work through yards and are very quiet. This is a nice line of replacement breeders. Note 4 heifers very old blue eye scaring but not detrimental. Vendor has steer line in same sale.
