Assessor Comments	Buyers, this is a nice line of EU Angus cross steers that present in store condition averaging 357kg. These steers show good length, depth and softness. They have good frame showing nice muscle and skin. These steers have good volume and spring of rib being bred out of Dalkeith medium to large frame Angus cross cows by stud Bowen and Glen Avon Angus sires. Steers worked very well through yards and were a pleasure to handle in yards. Odd steer very small old blue eye scaring but not detrimental.
