Handled With

Bikes , Dogs

Assessor Comments

A great opportunity of secure a run of Angus & Angus cross steers. These steers are well handled & its a credit to the owners offering them. Ideal steers to go onto improved pastures / forage or feed for the domestic / export market. Angus Bulls are selected for high EBV's, (LBW), growth, good bone structure & length. Of the 217 steers assessed, 3 had blue eyes, old scaring. Steers will be offered in 3 lots of 54 & 1 lot of 55, a run out the gate in 4 even lines to the best of our ability. Steers are GRASS FED ELIGIBLE.
