Excellent	30%	D	100%
Very Good	20%		
Good	50%		

Temperament

Yards	Crush	Paddock
Quiet: 82 head Slightly Stirry: 2 head	Quiet: 82 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

Heifers were very good to handle at assessment. Heifers flowed through the yards well and were good to handle in bigger yards. 2 Heifers got slightly agitated while being weighed and settled once returned to bigger mob.

Handled With	Bikes , Dogs , Horses
Assessor Comments	A great opportunity to secure a lightweight line of well bred Angus Heifers. These Heifers have all been in hand since assessment and have had a full weaning program. These Heifers were very good to handle at assessment and will suit all disciplines. The lead remains in these Heifers with 5% of the tail being removed. These Heifers are out of the Vendors Heifers that had a AI program with a percentage of these Heifers being by leading Angus sires including Blacky Onyx sires. These Heifers show true to type, and are good types showing good feminine traits. Heifers are ideal for a future breeding program or a backgrounding operation to take through to heavier weights to suit Domestic or Export markets.
