Assessor Comments	EU Angus steers that are Never Ever accredited. All the lighter weight calves in the draft that are under 200kg with the exception of the black baldy. Great quality little steers that have done it tough due to the drying season, tail end of these calves haven't had a lot of milk and are woody, bit of soft green feed will see them improve quickly. Out of a very good quality cow herd by Pharo and Booragul Bulls. Vendor has the big brothers in the same sale.
