Assessor Comments	Annual draft of the "Cooltah" Braunvieh steers. And they've improved again this year. These steers show great growth for age standing on very good bone with plenty of shape to work with. Steers are of good frame ideal to take onto crop or feed and finish for domestic trade or push onto heavy export steers. Steers were a pleasure to handle through crush and yards with only the odd one getting agitated and settled very quickly. By very good Cooltah Braunvieh and AI Sires out of deep bodied large frame Braunvieh Cows. 2 Brindle steers and 2 black steers are a quarter Angus. 1 steer had slight weeping eye at assessment and will be treated and monitored until delivery.
