Notable Traits

	Traits
4 Head	Pinkeye active at time of assessment

Assessor Comments	Very quite, well bred, soft British breed Heifer's that are EU accredited. Ideal for Breeding and or Feed lotting. Highly recommend as Vendors only purchase top Bulls and Management of their Herd is first class. The heifer's are quite and moved easily through the draft and scales. Top quality heifers to take home and grow out and join to the bull of your choice. Quality EU heifers you can buy with confidence. Vendor has 1 lots of British Bred Steers in this same sale, There was pinkeye starting in 4 heifer's at assessment and will be treated today and re assessed prior to delivery.
