Assessor Comments	Nice small line of angus x weaners that are very quiet. They are well weaned and been walking the Jerilderie plains so good fit calves at 146kg avg. They are mixed sex with good percentage being steers. They have all been marked and drenched. Originally bought out of the Shepparton Saleyards. Im sure shown some feed they will bounce away. Nice run of black weaners that are very easy to handle. Please note is 12 charolais weaners from same vendor in sale that would neatly fit on tray truck. Freight can be organised.
