Handled With	Bikes		

Notable Traits		Traits
	6 Head	Ringworm
	3 Head	small old pink eye scarring in one eye
	1 Head	small warts

Assessor Comments	A/c Malmic Grazing at Bonegilla (Wodonga) Victoria offer 50 outstanding quality Angus steers that are 10 -12 months of age and average 422kg curfewed. These cattle are sired with leading AI Angus Genetics from RR Endevour, Brunswick and Guarantee and top quality Jarobee Angus bulls. The Jacobs family have been using leading AI genetics in their self-replacing Angus herd for the last 9 years with an EBV focus on low birth weight to high growth for 600 day weight, carcase weight, IMF & a solid mature cow weight. Another critical factor in the Jacobs breeding program is docility with these steers being exceptionally quiet throughout the assessment process. These steers have excellent weight for age & show plenty of length, depth & shape. They are Vendor Bred, Yard Weaned, Grass Fed & Antibiotic Free. Please note steers are Greenhams Never Ever Accredited. **Steers located 30km from Northern Victoria Livestock Exchange with B'Double Access**
