Assessor Comments	Watervalley offering 90 Angus steers been a run out the gate from a line of 180. Individually weighed from 250 to 300 kg, presenting in fresh forward store condition. These steers are a even line drafted for quality and type. They have been subjected to dryer conditions, but capable of fast compensatory weight gains. Weaned at different times from multiple mobs. Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. Vendor has other line in this sale, which may help with truck loads.
