Assessor Comments	A nice line of first calf, vendor bred and well grown Cows and Calves. They are of great temperament and stand on good bone. These heifers are producing good milk and doing a terrific job on their calves; they would be a great asset for any producer looking for a line of quality young females. Please note there is one calf that is not by the same bull as the rest. It is presumed to be Simmental/Friesian. It was mothered onto one of the cows.
