Assessor Comments	A rare opportunity to secure leading-edge females direct from the renowned Glen Angus Stud. These quality heifers have been AI-joined to Cluden Newry Uppercut U15 and are PTIC to TCC in late February. For buyer confidence, all females were re-pregnancy tested in calf on 22/12/25. These females are in the prime of their breeding life, displaying excellent maturity, phenotype and structure and will be a valuable addition to any progressive Angus breeding program. Heifers weigh from 566 kg to 726 kg, averaging 598 kg, curfewed. Please note Angus ID's & Joining sire ID's are in documents. Please note if you require these females to stay APR with the Angus Society there will be a fee of $250 per animal transfer. Also note a total of 130 APR Angus Autumn Calving females are offered in the same sale.
