| Assessor Comments      | Here presents a very good line of 27 X 27 Angus cross cows and calves being only 5 to 6 year old. The cows are doing an excellent job on their calves who are showing plenty of sap. The cows and calves are very good to handle as they are regularly shifted between paddocks on the property. Calves are by Bonnydale Black Simmental Bulls. Cows have been running back with Bonnydale Black Simmental and Clay Gully Traditional Simmental bulls since 1st November 2025. Very good chance of of these cows being 3 in 1 packages. All cows and calves have been mothered with corresponding eartag numbers. Cows and calves are running on forest type country. If you are looking for genuine middle aged breeders who are doing a great job on their calves look no further than these. Are only getting sold due to owner changing over to a trader. Please not one cow has a lump on her jaw. |     |                         |      |                                     |
