Notable Traits	Traits 9 Head Blight in one eye (Cows & Calves) 2 Head Small lump under jaw (Ear tag 76 & 104) 3 Head White in Udder			
Assessor Comments	A quality line of predominantly Angus Cows & Calves that present in strong store condition. These young cows are on their first calf and have been running on light undulating hill country. Considering the seasons conditions they are doing a more then fair job on the weaners. The cows have been running back with an Alummy Creek Angus Bull and would be ideal replacements for any breeders or graziers looking to replenish their breeding herds.
