Assessor Comments	Offering a nice line of PTIC angus/angus heifers that were purchased ex Gundagai store sale and Wagga Wagga livestock marketing center in 2024 as heifer weaners and have been grown out and joined to Tandara angus bulls for a 60 day joining. Heifers present in forward store condition, these heifers were great to handle and flowed through yards and crush very well. Heifers are due to calve late June for an 8 week calving.
