Notable Traits	Traits 2 Head Blight in one eye (Calves)		
Assessor Comments	A small line of young Angus/Hereford cross Cow & Calves that present in strong store condition. These cows are on their first calf & have been running on light undulating hill country and considering seasonal conditions they are doing a more then fair job on their weaners. The Cows have been back running with an Alummy Creek Angus Bull & would be ideal replacements for any breeders or graziers looking to replenish their breeding herds.
