| Assessor Comments      | *ANGUS COWS & CALVES* 30 x 30 Angus X Angus Cows & Calves. Cows averaged 508kg; after an overnight curfew. Cows in forward store condition, mainly 2 score. Medium to large frame, mainly related to age. The lightest cow in the mob has 4T, suggesting she is only on her 1st calf. Angus CAF 2-3 months, averaged 100kg; mainly bull calves. This is the main younger run of the Fay Family cows & they are only being sold to deteriorating seasonal conditions. Realistically reserved - priced to sell! |                |                                     |
| Assessor               | Sam Mackay (Level 2 Accredited)                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                |                                     |
