	Heifers were a pleasure to handle during assessment. Cattle were easy to handle and would easily move while being pushed and respectfully stop while being blocked. One heifer became slightly agitated whilst in the crush after only being preg tested a few days before, but quickly settled once being reunited with the mob.

Assessor Comments	Offering a neat line of Angus Hereford Cross Heifers for buyer competition on behalf of MR Fry of Warrenbayne. Vendor has been buying heifers and selling on AuctionsPlus as PTIC heifers annually, often with repeat buyers. These quiet heifers have been joined to a registered Mistletoe Limousin Bull (pregnancy test certificate available) and were a pleasure to work in the yards and paddock during the drafting and weighing process. This is a wonderful opportunity to buy medium frame heifers to add to an existing herd that have the room to grow and become outstanding mothers. Please note vendor has another 3 lots in the sale (36 head in total).
