| Assessor Comments                     | Alanvale farms are offering a line of Angus/Angus Hereford x PTIC HFRS, the heifers are PTIC to and Angus bull. The bulls went in 24/5/25 and were in for 9 weeks. These heifers were purchased out of the march store sale in Mortlake and have grown out extremely well. All heifers in the yards were easy to deal with and very quiet. They are Preg tested to a low-birth-weight Pathfinder bull. These heifers are large frame and will be a great addition to any herd. |
