Assessor Comments	A very nice line of EU accredited, vendor bred, PTIC cows with plenty of life ahead of them. They are large frame cows, and their breeding and condition is a credit to vendors John and Liz. Due to calve 5/3 for 7.5 weeks. Bred from a pure Nampara program and PTIC to Nampara Angus bulls. The 5 Mile Cattle are proven performers and would complement any Angus cow herd. Please note one cow is missing her tail.
