Assessor Comments	Nice tidy line of 6-6/1/2 year old Speckled cows and calves. Cows are EXTREMELY QUIET. Cows are PTIC back to Speckled bull. Cows were purchased as hfrs and calves out of the New England and have reared a calf each year. Being sold due to season , an extremely hard sale for vendor, she has put a lot of time into the handling of these cows. Cows are in good strong forward condition and doing a good job on calves
