Assessor Comments	A good line of Angus heifers and calves. These heifers are medium frame and very good to handle. They were purchased out of Glenn Innis as PTIC heifers to keep as breeders but unfortunately due to the dry conditions need to be sold to make room. The calves have been marked and both heifers and calves would respond rapidly to better feed. Ideal units to take home and put with the bull of your choice. please note the same vendor has another 31 heifers and calves in the same sale.
