Handled With	Bikes , On foot , Vehicles			
Assessor Comments	*Classed in Breeders* An excellent line of young PTIC Angus cows in forward store condition . The 'Corriedoun' herd uses high quality Angus bulls from local studs, with the aim of producing high quality functional cattle. These young cows will mature into good medium to large frame cows. 6 week calving starting mid August to the end of September. All of these females had calves in 2025, only weaned off cows 1 month ago.
