Assessor Comments	PTIC Shorthorn cows that would make great long term breeders for someone to start a Shorthorn herd with or to top up an existing one. Huggin's always select their bulls from the front end of the catalogue to keep there herd true to the quality they want. This is a herd deduction is due to season, any cows that need to be classed out were so before joining late last year. The animal husbandry of drenching, vaccinating and lice treatment are done yearly at Woodpark. Note there are 3 more lots of cows in this sale today off "Woodpark
