Assessor Comments	A nice line of spring calving Angus heifers PTIC to very good Table Top Angus bulls. These heifers carry plenty of genetics been by Pathfinder and Alpine bulls they have grown out to be very stylish, structural correct females with plenty of length and softness. Joined for a tight 7 week period these heifers will be a very good addition to any spring calving enterprise. Please note 2 heifers with a splash of white and 2 old pink eye scars not deemed detrimental
