Assessor Comments	Buyers here presents a terrific line of young heifers and calves, these units are only offered for sale due to the continued dry seasonal conditions. "Halton Station" has recieved very little rain over the past 6 months. The Sargood family take great pride in the breeding of there Santa Gertrudis cattle buying top bulls from the Drensmaine & Yarrawonga Studs. For what these heifers lack in condition they make up for it in breed quality. Given the right oppurtunity and season these heifers will continue to mature and develop into great cows.
