| Assessor Comments                     | Here is a very good line of Angus and Angus Limousin cross heifers that are PTIC to Exton, Hazeldean and Graneta Angus Bulls. These heifers are 1st and 2nd calvers with all their breeding life in front of them. The temperament of these heifers is very good and they are out of herd that is quiet in general. They are quiet to handle and a pleasure to deal with. These heifers were PTIC by Bell Vets on 20/02/2026. The heifers were are preg tested in calf 1 to 3 months making it ideal for a calving window. If you are looking for good quality Angus and Angus cross breeder heifers with great temperaments then these are the ones |     |                                           |                                     |
