Temperament not assessed in Paddock

These heifers were very good to handle in the yards and were extremely settled.

Bikes , On foot , Vehicles

Assessor Comments	A quality run of well handled pregnant heifers. These heifer were good to handle through the yards and settled well. The heifers have adequate frame for their age and would be a positive addition to most breeding herds. The great temperament of the heifers would make them well suited to a small operation or someone just starting out in the cattle industry. The vendor agrees to guarantee the heifers clean of ticks if they are required to go to clean country.		
Assessor	Jack Fogg (Level 1 Accredited)
