Assessor Comments

PTIC Angus cows on offer. Cattle were purchased as cows and calves and are being offered due to the continued dry conditions in the New England area. Cows are PTIC to Glenavon Angus Stud bulls. Given better grazing conditions it is expected these cows will continue to put on weight prior to calving. Please note - Vendor has second line of 60 cows on offer in this same sale - opportunity to purchase 120 PTIC cows with same joining dates.
