Assessor Comments	A Nice line of Un Joined Bannaby & Mirrabooka blood Angus Cows & Calves that are only being offered for sale due to a change of direction within the vendors business. These Cows were all bought as Heifers, Joined and calved out under the Moore Management. Cows were great to handle and flowed through the yards with ease. Cows are all first, second & third calvers and are all doing a good job on their calves. These cows present in store to forward store condition but would easily pick up given the opportunity. Cows are un joined and ready to join to the bull of your choice. Calves have been marked & Received two shots of 7 in 1. PLEASE NOTE: One Heifer calf does have a growth/ Cyst on back leg. Please refer to photos.
