Assessor Comments	Excellent opportunity to secure a very well bred line of Santa/Hereford heifers that are in calf to an Angus bull for a 62 day joining. Heifers purchased ex "Stroane" Mount Mitchel at the 2024 weaner sales. The "Stroane" heifers are highly sought after from repeat buyer each year. Heifers show good bone, strong muzzles & true muscle pattern. Heifers have been well handled in the paddock and yards. Joining sire is structurally correct, well muscled & the right shape for use over heifers. (See photo) These heifers present a very good opportunity to get into a quality article of a highly sought after breed, with a long & productive life ahead of them.
