Assessor Comments	A Quality line of Angus and Black baldie PTIC that are breeders cattle. Heifers are well grown and have all the attributes you want in future breeders, softness, length and femininity. Heifers are bred from a foundation of quality Angus genetics including Glenavon, Bald Blair and Eastern Plains. Heifers had been kept for replacement breeders and are only up for genuine sale only due to the continuing dry conditions and feed running out, Joined as apart of their normal program heifers will commence calving in Late July onwards. Heifers were joined to a Bridgewater New Ground T145 Angus bull Specifically chosen for his low birthweight characteristics. Get above the game with quality females that will bred on, Heifers that are not to be missed. Steve Daley (Level 1 Accredited) Phone: 0499 898 561.
