Assessor Comments

Lovely line of PTIC heifers, joined to LBW Irelands Angus Bulls. They are bred from Bannaby and Choice Angus bloodlines. These heifers are very strong bodied, structurally sound and well balanced types that would make a great addition into a spring calving operation. Please note: 1 heifer has had pink eye but it has cleared up, just has a red dot in centre, not deemed detrimental to vision and 1 has cloudy eye, 2 heifers have white near udder.
