Assessor	Buyers, a fantastic line of well educated, extremely quiet, young cows and calves on offer. These cows were an absolute pleasure to assess and it's not often cows of this temperament come up for sale. These cows also have youth on their side as 30 are Branded #3's (3rd calf), 4 #4's (2nd calf) and 1 #0 (5th calf). They all have F1 Wagyu calves at foot sired by HPWFS2571 (see photos) which they have also been running back to since the 1/12/25 and will be pulled out at time of sale. These young cows have proven their fertility as they have always been control joined and preg tested in current owners program. A great opportunity to secure well handled young cows with calves at foot with the potential of 3 in 1 packages set up in a 3 month calving window. Cows would also suit any Bull of your choice in future breeding programs, would make a great addition into existing herds or fantastic starter mob. Cows had some very minor buffalo fly rub on neck and shoulders at time of assessment.
