	Cows were generally good to handle through the yards, some slightly stirred under pressure but soon calmed back down in the mob.	
Handled With	Bikes , Vehicles	
Assessor Comments	A high-quality small mob of PTIC Cows, averaging 628kg, present a fantastic opportunity for either calving and splitting or retaining as breeders. The progeny of these cows would be ideally suited to a wide range of markets, offering strong potential for both immediate and long-term returns.
