Assessor Comments	Here presents a line of Crossbred Cows and Calves. Cows present in store condition and given the right opportunity would bounce away for successful purchaser given they are only young cows. A large portion of these cows are vendor bred and the balance were purchased PTIC from multiple locations. These cows and calves would be ideal to fatten and split and are only being offered due to seasonal conditions. Buyers please note eight cows show scald, five cows have old pinkeye scarring in one eye but doesn't affect their sight in anyway. Buyers please also note two calves have pinkeye in one eye and seven calves present woody. Vendor happy to offer 6 month payment terms to approved purchasers. Vendor has another lot in same sale.
