Assessor Comments	Buyers here is a good opportunity with rain in the North, West and South to purchase 40 x 41 Cow/Calf units. These cows were purchased Ex Casino/Grafton Saleyards for a Summer trade. They have been on the do since arriving in October. These Cows have had calves on farm since arriving. When assessed, 28 cows were mouthed with only 4 showing signs of a broken mouth. The rest as per the photos had sound teeth. At assessment the cows weighed 425kg - 692kgs to average 528kg. The calves at foot ranged from 40kg - 246kg to average approximately 130kg. Please note the bull calves have not been marked. These units will suit the trader who can split the cows to fatten for a winter MSA kill job and carry through the calves for a winter oats or sold as backgrounders.
