	Pleasure to handle in the paddock. Heifers became stirry after being pregnancy tested which is normal reaction. Before testing they flowed the yards quietly.

Assessor Comments	On offer are 13 PTIC Angus Heifers. Outstanding quality maidens bred out of medium-to-large frame Pathfinder Angus cows sired by Narranmore Stud Angus Bulls. Heifers are 5-7.5 months in calf to Narranmore Angus Bulls. Presenting in forward condition they're in ideal condition to commence calving. An excellent line of breeders to add to any herd and have for a lifetime. The Smith's Angus cattle come with the assessor's highest recommendation.
