Assessor Comments On offer is a line of Vendor Bred PTIC Angus heifers. These heifers are sired by sale topping Rennylea Angus bulls with the vendor not sparing any cost to secure the best genetics possible from this well renowned stud. These heifers are extremely quiet and have been joined to two outstanding sires, Landfall Quartz TFA22T187 and Landfall Rhynie TFA23U1302 from the 12/11/25 - 5/01/26, due to calve from 12/8/26 - 5/10/26, EBVs in photos. Vendor again not sparing any cost with these two top quality bulls averaging \$38,000. Heifers have received all their treatments. One heifer has a blue eye, scarring from previous pinkeye. These heifers represent a unique opportunity to secure a vendor bred line of PTIC Angus Heifers from a very classy angus herd. Buyers please note vendor has 2 other lots of top quality PTIC Females in todays sale.
