Assessor Comments	Youngerdoo Pastoral is offering 192 vendor bred future breeder ewe lambs. Sired by Retallack and Normanhurst blood Border Leicester rams out of large framed Bellatherie blood Merino ewes. June 2025 drop lambs that ranged from 35-45kg and average 40kg at assessment. Very fertile young females with the vendors flock consistently scanning over 150% that will make very good matrons for years to come. Recent worm test results (26-11-25) returned a very low 20 EPG.
