Assessor Comments	**Perfect feeder lambs*** On offer 166 2nd X lambs, A/M drop, shorn, well weaned, vendor bred, 45kg av. These lambs are absolute ideal lambs to feed, they are all frame, in forward condition, and a ideal weight. They are sired by Yentrak poll Dorset Rams out of 1st x ewes. These lambs have been running on dried off pasture paddocks with adlib hay. I am confident these lambs will bound away in feedlot scenario. Vendor would normally fatten but doing earthworks so reduced paddocks available. Easy access just off Hwy simple for big trucks to wheel in and pick up. Individually assessed, tags been scanned if required
