Assessor Comments	Buyers a neat line of future breed Kerin Poll Merino ewe lambs. A total of 437, to be offered in 1x run of 219 and 1x run of 218 run out of the gate. Ewe lambs averaged 38kg at time of assessment and all were weighed through the auto drafter from 34-42kg. Lambs have been running on a rape crop since shearing and are presenting in good, forward condition. Vendor has invested heavily in genetics and purchases top indexing rams annually. These lambs would be ideal to continue to grow out for a March joining or run right through and joined as a 1-year-old Note: Vendor has one other line in this sale
