Assessor Comments	A Quality line of Vendor bred , mixed sex store lambs. Vantablack and Saltbush blood. A tail of approx 200 was removed prior to assessment , this 750 being the top 80% of the drop. Lambs are doing well considering the seasonal conditions and are sure to do well with access to good feed. No ewe lambs where retained by vendor for future breeders so an opportunity here to secure some handy future breeders if required.
