Assessor Comments	This is a great opportunity to purchase some excellent quality 1st X BL Ewe Lambs. Normally retained within the partnership to breed on their Island property but due to seasonal conditions and a change of business direction vendor is looking to move them on. Vendor has always purchased large framed, plain skin local Mallee Ewes joined to high indexing rams from reputable BL studs. They were extremely well shorn back in September and presented beautifully at the time of assessment. Purchaser can buy in full confidence knowing these Ewe Lambs are ready to join with a ram of their choosing. Weighed 50kg + the tail of this line will continue to grow out given some feed in front of them. Little sisters also available in this sale x 120. Note: ** Some lambs slightly dirty around breach in photos due to chasing some green in the paddocks. All to be crutched prior to delivery **OJD Vaccinated on 06/01/26
