Assessor Comments	Presenting 226 April - May 2025 Poll Merino ewe lambs. These represent the entire drop of ewe lambs, with none of the 2025 drop ewes being retained by the vendor. Milpara is a well renowned local self replacing Poll Merino flock, with emphasis on breeding strong ewes to thrive in Outback NSW, with a focus on both carcass and wool traits. Given the right feed conditions, these ewe lambs will grow out to be impressive ewes to join in the spring. September shorn, mulesed and tail tripped, 38 kg live weight, Gunnallo Bld, Milpara bred. Please note considerable rain on 28/2-1/3 has caused flooding since the assessment of these ewes. This may also cause delivery delays until the week of 9/3
