Assessor Comments	Good line of good framed, plain bodied Parkdale blood SRS ewe lambs that are shorn drenched and ready to perform on crop or grain if given the opportunity. Lambs are usually kept and finished on lucerne but seasonal conditions have influenced the sale. Flock is based on Parkdale Bloodlines buying a top price ram there each year with emphasis on bright stylish wool on a structurally sound confirmation with high quality carcass traits. Out of large frame plain bodied ewes that are classed heavily each year. Vendor has 780wether lambs in same sale.
