Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Well bred Poll Dorset X lambs that show potential. Lambs are trained to grain, have had 2 x 5 in 1. Lambs have been introduced to grain and have performed for previous purchasers. Lambs individually weighed 32 - 33.5kg. Lambs only show light fat cover and in my opinion are better than weights suggest. Next draft up also in this sale.
